Dear Sir:

In accordance with 37 CFR 1.56, 1.97 and 1.98, Applicant request the Examiner to make of record the document listed on the attached PTO/SB/08 form. In accordance with MPEP 609, the Examiner is requested to initial the document listed on the attached PTO/SB/08 form in the space provided, make a copy of the initialed form, and return the copy to Applicants' attorney.

The document listed on the attached PTO/SB/08 form came to Applicant's attorney's attention as a result of an International Search Report (copy enclosed) for the PCT patent application US04/014198, corresponding to the above application. All other references cited in the International Search Report were either previously submitted by Applicant in an earlier IDS or by the Examiner in an Office Action.

This submission does not represent that a search has been made or that no closer art exists and does not constitute an admission that the listed document is material or constitute "prior art." If the Examiner applies the document as prior art against any claim in the application and Applicant determines that the cited document does not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

(PTO/SB/08 06/03)

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the document, should the document be applied against the claims of the present application.

This paper and the enclosed document is being submitted in accordance with 37 CFR 1.97(c)(1). Applicant states that the item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement. Therefore, no fee is believed to be due.

Respectfully submitted,

For: RODRICK A. HERDMAN
